

# RATNA KUMARI

Frontend and Backend Developer

+91 8509878572   ratnakumari20032006@gmail.com   Delhi

## SUMMARY

I am a detail-oriented Frontend and Backend Developer currently pursuing a B.Sc. at Shyama Prasad Mukherjee College For Women. My internships have allowed me to gain practical experience in developing automated systems and managing databases. My skills in web technologies and programming languages like PHP, JavaScript, and React.js prepare me for engaging with new challenges in the tech industry.

## EXPERIENCE

### Backend Development Intern

Shyama Prasad Mukherjee College For Women, Delhi (University Of Delhi)

09/2024 - 01/1970   Virtual

Internship

- Working as a Backend Developer on an Automatic Timetable Generator project, using PHP as the primary framework.
- Responsibilities include managing database connections and developing algorithms for automated timetable generation.
